## President' Corner

In this newsletter you will find our 2011-2012 Membership Forms which you can use to renew or you can join through our website which links to NYSSA's home page, feel free to photocopy and distribute to anyone you know who might need one. We have also provided you with a Gas Tax form which you can use to donate the excise tax which is paid on the gas you purchase for off-road use. If you keep track of your purchases, sign the form, attach all the receipts and mail it to the Club, we will receive a refund for the tax you paid on that off-road fuel. You can make as many copies as you need and mail them individually as you complete them or at the the end of the year. They must be received by April 1<sup>st</sup> in order for the Club to have time to process them to be included in the fiscal year-end financials.

Also enclosed are our ATV raffle tickets with a single Grand Prize of a 2012 Polaris Sportsmen 500, which was generously provided by **Precision Power Services** in Spencerport, NY. Please return ticket stubs with checks made out to the Osceola Snowmobile Club by October 8<sup>th</sup> in time for the drawing at our Monthly Club Meeting. Our mailing address is PO Box 151, Redfield, NY 13437.

Congratulations to all of our Dash for Cash Raffle Winners (held at our annual Torchlight Ride). A Huge thank you to everyone who helped with the sale of tickets for this event!!

## As the Groomer Tracks Turn

Bits and Pieces—Our season this year was not long but it was busy. This was the first winter with the Camp 2 trail back and with our new-to-us groomer. The 2005 Pisten Bully Edge is a very good machine and should serve us well for many years. We also sold the 1987 Pisten Bully 270. It had served us well for many years, but it was time for an upgrade.

We groomed around 304 hours this year which comes out to around 1825 miles. That is a lot of seat time for the guys, which we thank them very much for.

The club purchased 2,032.9 gal. of diesel fuel this season and used 1,724.3 gal. The club spent \$ 7,587.27 on fuel. Just a little comparison, on November 30, 2001 we paid 99.2 cents per gallon. The last fill up this year was \$4.13 per gallon and who knows what it will be next year.

A little reminder, we have much to do over the summer and any help would be greatly appreciated. **Thanks to all that showed up for the trail cleanup** and hope I fed you well enough?

—Quinn Lewis

## Osceola Public Library has High Speed Internet Access and free WiFi

Snowmobilers and ATV riders might be interested to know that the Osceola Public Library in beautiful downtown Osceola near the 4 corners now has high speed internet access and WiFi. Most of you probably don't carry your laptops with you on your sled, so if you are on the trail going toward North Osceola and see that we are open, stop in and use one of our 4 computers to check your email or anything else. We welcome anyone who comes through the door and needs to use the library for any reason. Most of the Library services are free, however copies and faxes have a small fee.

Library hours are Tuesdays from 12-4 and 7-9 pm, Thursdays 2-8 pm. WiFi is always available. Stop in and visit us at Osceola Public Library, 2117 North Osceola Road, Camden, NY 13316, give us a call (315) 599-7122 or send us an email at: [osclib@ncls.org](mailto:osclib@ncls.org).

## One Final Note

I know that as a Club, we ask a lot of our members between workdays, begging for volunteers and buying raffle tickets, but the fact remains that the Board needs your help. The groomer maintenance fairies don't know where the barn is; the black flies and deer flies don't seem to pull their weight on the trail maintenance and groomer payments don't stop when the snow melts! We are trying hard to cut costs anywhere we can. We have created an email list of our membership and will be sending out meeting and workday reminders, and cutting a major cost of mailing the newsletters. The newsletter will be emailed to everyone we have an email address for as well as being posted to our website. When renewing your membership, please supply your email address. We are anxiously waiting for the approval of our 501(c)(3). A distinct advantage is that we would no longer have to pay sales tax. We are always looking for fund raising ideas, what would you like to see? As always, We deeply appreciate the hard work of all the volunteers and sponsors that keep this Club functioning at such a high level.
